Michael Marrus
C. E. Unterberg, Towbin
Moderator:

Hot topic! The 
AIM market of the
London Stock
Exchange allows growing
businesses to go public within
a flexible regulatory
approach. Since it opened in
1995, more than 2,200
companies have raised over
£24 billion. The Pink Sheets'
OTCQX offers access to US
secondary market liquidity
outside Sarbanes Oxley
financial disclosure.
